Nov 25-1927

Dear Sir:

Will you please advise me if there is a premium on the so called "jackass" \$10.00 Bill, Series of 1880? Also on Gold Dollar of 1881?

(The Eagle on the Bill referred to, when turned upside down, forms a perfect head of a Donkey.

I have a perfect specimen of each of the above.

Yours very truly
Geo. M. Locke
